Road Collision Data

Find Data on Road Collisions in Midlothian:

Access statistics here: [Road Traffic Collisions and Casualties](#)

CCTV in Midlothian

Midlothian Council has recently upgraded its CCTV infrastructure. Due to current funding constraints, the council is unable to install equipment that streams all footage centrally to Midlothian House. Instead, there are nine separate CCTV viewing areas, each serving its respective town.

More information can be found here: [Midlothian Council enhances community safety with CCTV upgrades | Midlothian Council](#)
